Dear Applicant

### **Rufford Small Grant for Nature Conservation (RSG)**

I am pleased to advise you that the trustees of The Rufford Small Grants Foundation have approved a RSG Booster grant of £12,000. The grant is being made towards your project – Renu-Karoo – developing indigenous seed orchards and local skills to restore mining and grazing damage in arid Karoo rangeland.

You agree that you will only use the grant for the purposes of that project and will provide to the trustees a full formal report in twelve months' time to detail how the grant has been used (using the RSG Final Report template sent with this letter). The report will include an account of all relevant expenditure in the period covered by the report. If you use the grant for purposes other than the above project, or do not supply us with a report that we consider to be satisfactory, then you agree to reimburse the grant to us in full. You will also provide us, by email, with ongoing feedback and photographs from the project to be used on the RSG website (refer to email attachment entitled Submissions for the Rufford Small Grants website). Please see our new map on the website and feel free to make contact with persons working in your area and doing similar projects.

By accepting the grant you warrant to us that you, Suzanne Milton-Dean will comply with the terms of the grant as set out in this letter.

We should be grateful if you would sign a copy of this letter to accept the terms of this grant. Once the signed duplicate copy has been received by fax or post, together with your bank details, by The Rufford Small Grants Foundation, the said funds will be released. **As soon as the funds are received, please acknowledge safe receipt of them to [receipt@rufford.org](mailto:receipt@rufford.org) quoting our reference number at the top of this letter.**

Yours sincerely
